How To Use This Manual: To locate the law on any particular subject, it is suggested that you first note the general description of the subject under "***Chapter Summary***," on page 3, below. This will guide you to the correct page of the ***Table of Contents*** under "***Topics***," beginning on page 4. There you will find a more detailed description of the various legal issues. This in turn will note for you the specific page in the expanded ***outline*** where you will find the relevant cases and rules on that topic. *Or*, you might just "*word search*" the ***outline*** and go directly to the relevant information.
