How To Use This Manual: To locate the law on any particular subject, it is suggested that you first note the general description of the various subjects under "***Chapter Index,***" on page 3, below. Or you can proceed directly to the ***Table of Contents***, beginning on page 4. Thereafter, you will find a more detailed description of the various legal issues and will, in turn, note for you the specific page in the expanded ***Outline*** where you will find the relevant cases and rules on that topic. *Or*, you might just "*word search*" the ***Outline*** and go directly to the relevant information.
